1 15 year fixed rate of 3.255% (3.30% APR): The advertised loan is a 15 year fixed rate balloon mortgage loan with payments based on a 30-year amortizing loan, assuming a \$100,000 loan amount and a 3.225% interest rate. This loan has 179 monthly principal and interest payments of \$437.96 with a balloon payment of \$62,550.33 due on the 180th month. Disclosure assumptions: Interest rate quoted assumes maximum loan-to-value ratio of 90% for an owner occupied 1 to 4 family home. The actual interest rate, APR and payment may vary based on the specific terms of the loan selected, verification of information, your credit history, the location and type of property and other factors. Rates are subject to change daily without notice. Payment amounts shown do not include taxes or insurance.

2 15 year fixed rate of 3.255% (3.30% APR): The advertised loan is a 15 year fixed rate mortgage loan assuming a \$100,000 loan amount and a 3.225% interest rate. This loan has 180 monthly principal and interest payments of \$705.10. Disclosure assumptions: Interest rate quoted assumes maximum loan-to-value ratio of 90% on a mobile home affixed to a foundation with land, 65% for raw land and 75% for land. The actual interest rate, APR and payment may vary based on the specific terms of the loan selected, verification of information, your credit history, the location and type of property and other factors. Rates are subject to change daily without notice. Payment amounts shown do not include taxes or insurance.

3 1 balloon payment

Offer may be withdrawn at any time.
